

Precious scientists and readers,

JIA JOURNAL (JIIA) is experiencing the bliss and honor of meeting once again with the worlds of arts and sciences via its second volume. Our second volume of Summer 2017 consists of 11 original articles, 2 compilations and 1 commentary, 14 articles in total.

This volume covers interactions between the fields of Music/Mass Media Culture, Musicology/Republican Era History, Museology/Interior Design, Architecture/Interior Design, Turkish Culture/Miniature, Geology/Archeology, Painting/Sociology, Theater/Social Gender, Cinema/International Relations, Art History/Miniature, Commentary and Sociology.

We hope that this new volume will be beneficial to the worlds of arts and sciences and we present our special thanks to all who have contributed. We wish to meet again with the third volume of Winter 2017 and await your precious studies for the new volume.

With my regards
