

Dear Scientists and Readers

This issue of **JIA JOURNAL (IJIA)** is the 5. issue and consists of 6 original articles. It consists of articles submitted as presentations in the 4th International ASOS Congress held in Antalya/Alanya on May 3-5 2018 and which have been subjected to our journal's evaluation process.

We would like to express our pleasure to have put the submitted articles within the frame of the collaboration between the congress and our journal on the scientific areas map.

Our collaboration and interaction with the annually held Asos congress has been continuing. We are awaiting your valuable studies suitable with the terms of the theme and content of the SPECIAL issue.

With kind regards,

Editor in chief
